

M 430

Rigorous and solid M430 is a product designer to apply to the higher standard of durability and quality. Its look is rigorous to suit any public or private space.

full range of versions, wide  
range of accessories.

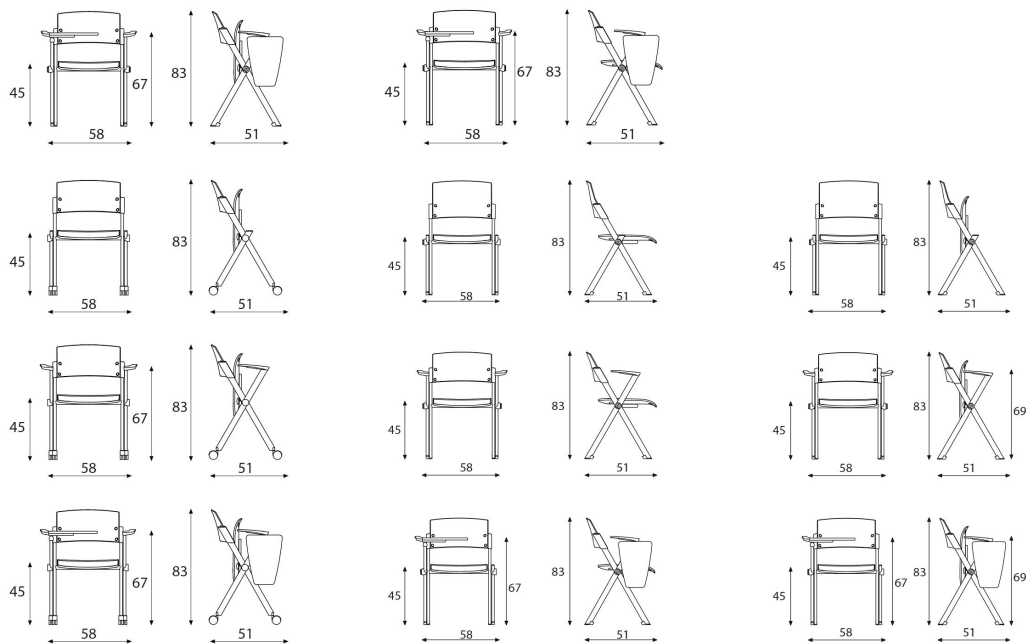

## M 430

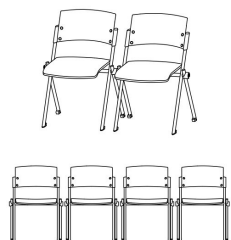

M430 can be stacked vertically and horizontally, thanks to the folding seat option. Xilla is designed to meet all the demands, thanks to its multiple product's variants: with arms, without arms, with fixed or reclining seat, with the writing tablet, with or without caster. Many accessories are also available: magazine rack, backrest upholstery panel, row and place coordinate display.
